

HR JAYA SURYA SINGH

Frontend Web Developer

@ hrjayasuryasingh@gmail.com (+91)7993504365 Andrapradesh, India in hr-jaya-surya-singh hrjayasuryasingh9

ABOUT

I am a passionate web developer specializing in front-end development with proficiency in HTML, CSS, JavaScript, and Bootstrap. I create visually appealing, user-friendly, and responsive websites. Additionally, I am a dedicated DSA (Data Structures and Algorithms) student, continuously learning to improve my problem-solving capabilities. My goal is to leverage my expertise and creativity to contribute to innovative web development projects that captivate and engage users.

EXPERIENCE

Web Developer Intern

CodSoft

August 2024 – September 2024

- Enhanced technical skills and problem-solving through project work.
- Assisted with website development, maintenance, and responsive layouts.

Web Developer Intern

SkillCraft Technology

August 2024 – September 2024

- Contributed to projects that improved technical skills and problem-solving.
- Supported website development, maintenance, and responsive layout implementation.

Web Developer Intern

Oasis Infobyte

August 2024 – September 2024

- Engaged in projects to refine technical skills and problem-solving.
- Supported website development, maintenance, and responsive layout implementation.

Python Full Stack Web Developer Intern

JTD Organisation

February 2024 – February 2025

- Participated in diverse projects to enhance technical expertise and sharpen problem-solving abilities.
- Acquired proficiency in Data Structures and Algorithms (DSA) using Python, enhancing computational thinking and coding efficiency.

PROJECTS

Organic Product Website

html, css, bootstrap, js

- Built with a focus on clean design and responsive functionality.
- Organic Product Website highlights my skills in creating user-friendly, eco-conscious web solutions.
- Made everything animated using AOS library as a major source.
